

Study program: Bachelor with Honours in Tourism					
Type and level of study: bachelor					
Course Title: Fieldwork (T120)					
Teacher: Lukrecija L. Djeri, PhD					
Status of course: Obligatory for modules of Tourism and Hunting Tourism					
ECTS: 3					
Requirements: none					
Learning objectives To introduce students to the basic physical and social attractions for tourism development in Serbia. The specific objective is to introduce the current economic situation in the tourism industry.					
Learning outcomes Students should gain the basic knowledge of the natural and social tourist attractions. Students should meet representatives of the tourism economic activity in Serbia, and preferably work together with them during and after their studies.					
Syllabus Itinerary of the fieldwork provides students with an opportunity to participate in the fieldwork and learn the quantitative and qualitative characteristics of the material base of Vojvodina, the essence and function of the components of tourism. Fieldwork enables students to learn about the hospitality and facilities in elementary (hotels, motels) and complementary (camping, various resorts, various types of hostels and etc.) objects offering simple and complex types of services, communication factors (general and special transport network), the tourism infrastructure in general (parks, walking trails, lookouts, convention facilities, etc.), tourism superstructure (trading network, a network of stores and other commercial establishments for tourism).
