

Name	Jelena Vukosavljević		
Academic Appointment	Teacher of skills		
Name of institution providing full-time employment; employed full-time since	University of Novi Sad Faculty of Sciences, since 2016 (30%), and Centre for Human Reproduction, Obstetrics and Gynaecology Clinic, Clinical Centre of Vojvodina, since 2008 (70%)		
Scientific discipline	Human biology		
Academic career			
	Year	Institutions	Field of Study
Appointment to current position	2016	University of Novi Sad Faculty of Sciences	Biological sciences
Master of Science	2015	University of Novi Sad Faculty of Sciences	Biological sciences, Molecular biology
Diploma	2008	University of Novi Sad Faculty of Sciences	Biological sciences
List of courses currently taught by the instructor			
R.B.	Course Title	Level of Study	
1.	Assisted reproductive technologies	MSc in Reproductive Biology	
2.	Internship	MSc in Reproductive Biology	
Key Publications (min. 5, not more than 10)			
1.	Pogrmic-Majkic K, Samardzija D, Stojkov-Mimic N, Vukosavljevic J, Trninic-Pjevic A, Kopitovic V, Andric N (2017) Atrazine suppresses FSH-induced steroidogenesis and LH-dependent expression of ovulatory genes through PDE-cAMP signaling pathway in human cumulus granulosa cells. <i>Molecular and Cellular Endocrinology</i> 461:79-88.		
2.	Vukosavljević Jelena, Dojčinović Nevena, Milatović Stevan (2012) Comparison of embryo quality between ICSI or cIVF method. Poster presentation. 7th Symposium „News in human reproduction“ Belgrade, Serbia. Organisation: Society for human reproduction of Serbia in cooperation with Society for human reproduction of Montenegro. Book of abstract: Epigenetic controversy in human reproduction, abstract page 134		
3.	Kopitović Vesna, Đurđević Maja, Vukosavljević Jelena, Trninić Pjević Aleksandra (2015) New technologies in infertility: real need, caprice or marketing? 10th Symposium „News in human reproduction“ Belgrade, Serbia. Organisation: Nove tehnologije u infertilitetu- stvarna potreba, hir ili marketing? Deseti Simpozijum „Novosti u humanoј reprodukciji“ Beograd, Srbija. Organisation: Society for human reproduction of Serbia in cooperation with Society for human reproduction of Montenegro. Book of abstract: Implantation of embryo, abstract page 113		
4.	Vukosavljević Jelena (2012) Laboratory preparation of sperm: role of embryologist, gynecologist or andrologist. Course of intrauterine insemination Divcibare, Serbia. Invited speaker.		
5.	Vukosavljević Jelena (2014) Cryopreservation possibilities of oocyte and embryo, cryobank. Symposium „Fertility preservation in oncological patients“ Novi Sad, Serbia. Invited speaker.		
6.	Pogrmic-Majkic Kristina, Samardzija Dragana, Fa Svetlana, Milatovic Stevan, Vukosavljevic Jelena, Kopitovic Vesna, Andric Nebojsa (2016) Bisphenol a stimulates steroidogenic acute regulatory protein expression through ERK1/2 and PPARγ signaling pathways. 2nd International Symposium on Advances in PCOS and Women's Health Belgrade, Serbia. Book of abstract: p. 46.		
7.	Jelena Vukosavljević, Aleksandra Trninić Pjević, Artur Bjelica, Ivana Jagodić, Vesna Kopitović and Stevan Milatović (2017) Detection of human embryo aneuploidy in the procedure of in vitro fertilization after preimplantation genetic screening using array comparative genomic hybridization. <i>Medical review LXX</i> (9-10): 325-331		
Summary of the instructor's scientific achievements			
Total citations (excluding self-citations)			
Total number of publications on SCI or SSCI list		1	
Current Scientific Projects		National	International
Specializations			
2009 2-month course of assisted reproductive technologies (ART) with certificate: Clinical center of Ljubljana, Slovenia 2009 2-week course of ART with certificate: American hospital Istanbul, Turkey 2009 3-day course of ART (andrology, basic and advanced embryology, cIVF, ICSI, oocyte collection, oocyte denudation, vitrification) with certificate: Landes-frauen und Kinderklinik Linz, Austria 2011 1-day hands on training in vitrification- theory and practice with certificate: Mediteranian symposium of reproductive medicine Budva, Montenegro 2014 3-week course of blastomere biopsy and preparation of blastomere for FISH with certificate: Life Leuven clinic, Leuven, Belgium 2014 3-day course Vitrolife workshop (embryo culture, quality control, vitrification, time-lapse) with certificate: Vitrolife workshop, Gothenborg, Sweden 2015 3-day course andrology workshop with certificate: Andrology workshop, Opatija, Croatia			
Additional information			
- Head of the Laboratory for IVF at Center for human reproduction, Obstetrics and Gynaecology Clinic, KCV - Membership: European Society for Human reproduction and Embryology, Society for Human Reproduction of Serbia - Eshre certified clinical embryologist 2015, Eshre certified senior clinical embryologist 2018 - Enrolled at PhD studies in Biology in 2015/2016 at the University of Novi Sad Faculty of Sciences
