The tuition fee at the Department of Mathematics and Computer Science for master studies is 2,000.00 EUR, and the cost per credit is 33.35 EUR.

The tuition fee for third-level studies for foreign students is 5,000.00 EUR and the cost per credit is 83.35 EUR for the study programmes PhD in Biological Sciences, PhD in Molecular Biology, PhD in Chemistry, PhD in Biochemistry, and PhD in Environmental Protection. The tuition fee for PhD in Computer Science and PhD in Mathematics is 2,500.00 EUR and the cost per credit is 41.70 EUR; for PhD in Geographical Sciences and PhD in Tourism, the fee is 4,000.00 EUR and the cost per credit is 66.67 EUR; for the study programs PhD in Ecological Sciences and PhD in Physics, the fee is 3,500.00 EUR and the cost per credit is 58.35 EUR; and for PhD in Teaching Methodology of Natural Sciences, the tuition fee is 3,000.00 EUR and the cost per credit is 50 EUR.

1.6. Transfer of points for final thesis/master's thesis and doctoral dissertation to the new academic year is not charged.

1.7. The cost of ECTS credits for attended, unpassed subjects that students choose again at all levels of study is 500.00 RSD.

## **2. Calculation of Costs**

### **2.1. For students studying under the Law on Higher Education.**

#### **2.1.a. Tuition fees for self-funded students:**

Tuition fees for self-funded students in higher years are calculated using the formula:

$$\text{TRSH} = \text{FT} + (\text{CB} \times \text{BRB}) \text{ where:}$$

TRSH – the amount of tuition costs for self-funded students in higher years,

FT – the amount of fixed costs,

CB – the price of credit for the academic year of the study programme the student is enrolling in (from Table 1.1.a. or Table 1.1.b. or Table 1.1.c.),

BRB – the total number of ECTS credits of the subjects the student chooses to attend from the study programme they are enrolling in.

#### **2.1.b. Extended student status:**

7,000.00 RSD

### **2.2. A student can pay the tuition fee:**

in 8 (eight) equal instalments with due dates:
