MEMORANDUM OF UNDERSTANDING

between:

UNIVERSITY OF NOVI SAD FACULTY OF SCIENCES (UNSPMF)
Trg Dositeja Obradovića 3, Novi Sad, Serbia

and

JOSIP JURAJ STROSSMAYER UNIVERSITY OF OSIJEK
SCHOOL OF APPLIED MATHEMATICS AND INFORMATICS (MATHOS)
Trg Ljudevita Gaja 6, Osijek, Croatia

Article 1

The purpose of this Memorandum of Understanding (MoU) is to establish a framework for cooperation between the Parties. In order to promote international cooperation and further their mutual interests in the field of higher education, research and innovation, University of Novi Sad Faculty of Sciences (UNSPMF) and Josip Juraj Strossmayer University of Osijek School of Applied Mathematics and Informatics (MATHOS), agree to cooperate in the following activities:

1. Exchanges of students and academic staff;
2. Joint research activities, including seminars, conferences and public lectures;
3. Joint publication of scientific papers, preparation of joint research projects and programmes, exchange of publications, academic materials and other information;
4. Mutual institutional capacity building in research and in research management, support and development, as well as academic mobility;
5. Reciprocal participation in doctoral and research master's programmes by staff members of the respective institutions;
6. Joint quality assurance and benchmarking; and
7. Other projects for mutual benefit that are agreed upon by both parties.

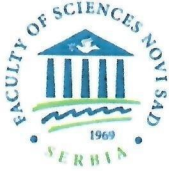

Article 2

Financial responsibilities shall be agreed separately for each activity and specified in the relevant implementing agreement.

Article 3

Each Party shall designate a contact person or office responsible for coordination of activities under this MoU.

- for University of Novi Sad Faculty of Sciences: International Relations and Project Office (email: iro@pmf.uns.ac.rs)

- for Josip Juraj Strossmayer University of Osijek School of Applied Mathematics and Informatics: Prof. Dragana Jankov Maširević (email: djankov@mathos.hr)

Article 4

Any confidential information exchanged under activities arising from this MoU shall be protected in accordance with applicable laws and any separate confidentiality arrangements agreed by the Parties.

Intellectual property rights and access rights to research results arising from activities undertaken pursuant to this MoU shall be addressed in separate written agreements concluded for the specific activity concerned.

Article 5

This MoU is a statement of intent and does not create legally binding obligations, financial commitments, partnership, agency, joint venture, or employment relationships between the Parties.

The Parties recognize that the implementation of any exchange programmes will depend upon the academic interests and expertise of individual faculty members and upon the availability of financial resources. Both parties agree to exploit external sources of funding for faculty and staff exchanges, joint research projects, joint academic and scientific activities, as well as exchanges of information and materials.

Article 6

Neither Party shall use the name, logo, or trademarks of the other Party without prior written consent.

Article 7

The Parties shall process personal data in accordance with applicable data protection legislation, including the General Data Protection Regulation (GDPR), where applicable.

Article 8

This MoU comes into effect when the last signatory signs. It will remain in effect for a period of five (5) years from that date. Six months prior to expiry, the Parties may review the operation of this MoU and may agree in writing to renew it. Any such renewal shall be signed by an authorised representative of each institution and may include variations to this MoU.

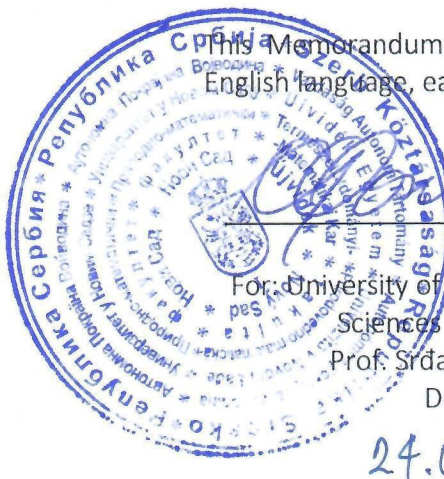

Article 9

Nothing in this MoU shall restrict either Party from entering into similar arrangements with other institutions.

Article 10

This MoU may be terminated by mutual written agreement of the Parties or by either Party giving six (6) months' prior written notice to the other Party. Termination shall not affect activities already commenced under separate agreements unless otherwise agreed in writing.

This Memorandum of Understanding is executed in two (2) original counterparts in the English language, each Party retaining one (1) counterpart.
